

# OSC Bulletin December 2021

Welcome to our OSC bulletin. It's been a busy term. Below, you will see an overview of the different activities that we have been up to and some of the exciting things to come.

I enjoyed making a fox in our Autumn topic. They're nocturnal animals as they come out at night.

I really enjoyed making cup cakes with Mrs Dodd because we got to eat them!

When we can, we like to get outside. We have access to the school field, the trim trail, both playgrounds with a wide variety of games and activities.

Inside, the team carefully plan art and craft activities. These align with the school event calendar. We are currently making Christmas decorations ready for the St Michael's Christmas tree festival.

On a Monday, Mrs Dodd plans a baking activity for the children. The children have enjoyed making their own cupcakes. Next term, we will be making our own pizzas! Yummy!

## Part of our home learning offer...

Our OSC team will continue to be available to read with your child at least one a week. We have now opened our library to the OSC children. Here, children have a quiet space and have access to an Ipad where they can read on Bugclub, practise their maths fluency on TTracks and complete any EducationCity activities that have been assigned for them, or, of course, simply snuggle up with a book!

If you prefer to 'opt out' of this offer, please just return the attached slip to a member of OSC staff.

## Reading/Home Learning Opt-out

Thank you for the offer but I do not wish my child to be read with/access online learning platforms during OSC hours.

Child's Name: \_\_\_\_\_

Year Group: \_\_\_\_\_

## FREE SESSION

Would you benefit from extra care before or after school? We are offering a **FREE** taster session for all children who have **not** yet experienced OSC with us. If you would like to book your child in for their **FREE** taster session, please contact Mrs Porter in the office.

Further information, including fees, can be found on our website:
